Warning to Shareholders

Share fraud includes scams where investors are called out of the blue and offered shares that often turn out to be worthless or non-existent, or an inflated price for shares they own. During the year we were alerted by some of our Shareholders to cold calls which they had received. The callers purport to represent various entities, including Drexel-Bearns, a US based firm. The callers stated that they were seeking to gain control of investor shareholdings held in the Company and/or personal financial information. We believe these are boiler room scams.

These types of calls are typically from overseas based 'brokers' who target UK shareholders. These operations are commonly known as 'boiler rooms'. These 'brokers' can be very persistent and extremely persuasive. While high profits are promised, those who buy or sell shares in this way usually lose their money. The Financial Services Authority ("FSA") has found

Shareholder Information continued

most share fraud victims are experienced investors who lose an average of £20,000, with around £20 million lost in the UK each year.

Shareholders are advised to be very wary of any unsolicited advice, offers to buy shares at a discount or offers of free company reports.

If you are offered unsolicited investment advice, discounted shares, a premium price for shares you own, or free company or research reports, you should take these steps before handing over any money:

- Get the name of the person and organisation contacting you;
- Check the FSA Register at www.fsa.gov.uk/fsaregister/ to ensure they are authorised;
- Use the details on the FSA Register to contact the firm;
- Call the FSA Consumer Helpline on 0845 606 1234 if there are no contact details on the Register or you are told they are out of date;
- Search the FSA list of unauthorised firms and individuals to avoid doing business with them; and
- Remember: if it sounds too good to be true, it probably is!

If you use an unauthorised firm to buy or sell shares or other investments, you will not have access to the Financial Ombudsman Service or Financial Services Compensation Scheme if things go wrong.

Protecting your Identity

Suggestions for safeguarding your shares:

- ensure all your share certificates are kept in a safe place or hold your shares electronically in CREST via a nominee;
- keep all correspondence relating to your shares in a safe place or destroy the correspondence by shredding;
- notify the Registrar of a change of address in writing or via their website (as detailed above);
- consider having your dividend paid directly into your bank account to eliminate the risk of a lost dividend cheque;
- notify the Registrar of bank account detail changes in writing or via their website;
- if you decide to sell or buy shares use only brokers registered in the UK or your own country.
